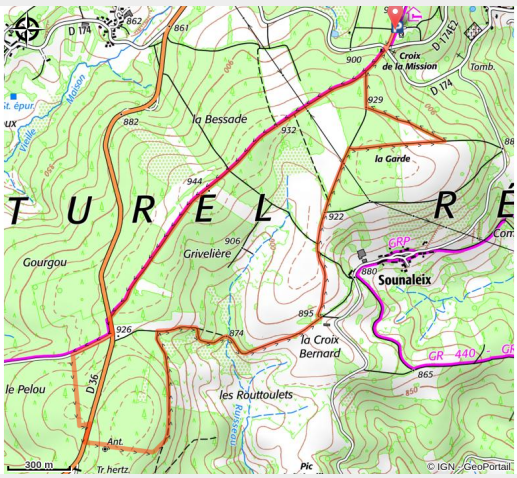
Saint-Setiers - Blue Track

Plateau de Millevaches - Saint-Setiers

(CC HCC)



An easy circuit in the forests of Saint-Setiers. Ideal for 'false' beginners with a few physical passages.

This circuit is part of the FFVélo Haute-Corrèze mountain bike base, the largest mountain biking area in France with 1000 km of marked circuits. It follows the Saint-Setiers cross-country ski slopes and can easily be linked to the yellow, green and red slope circuits. It marks a progression after the green slope, very easy, and before the red slope, more physical.
