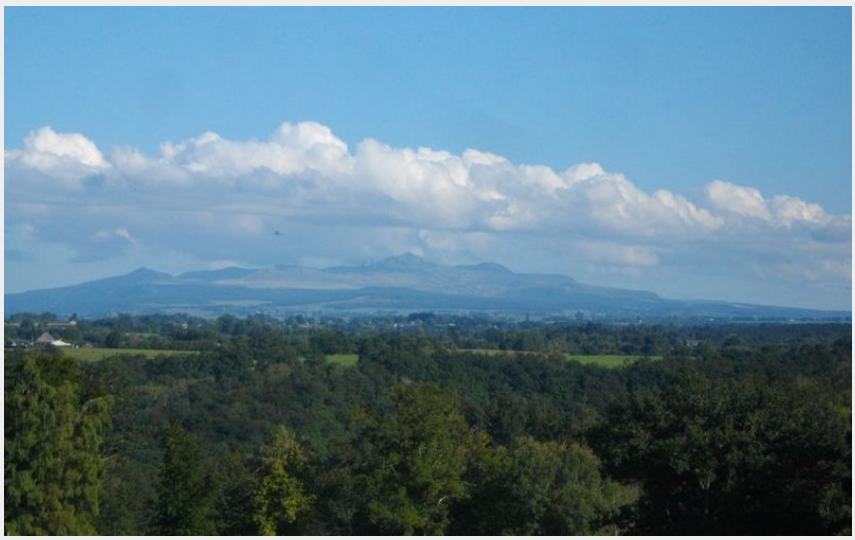
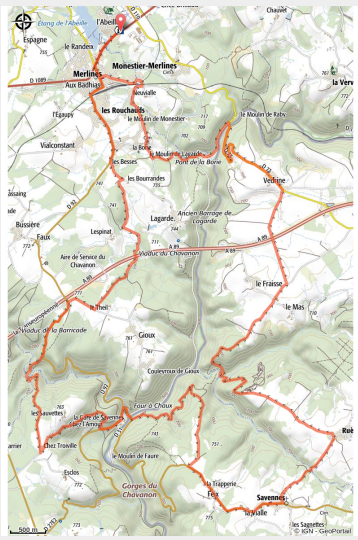
The Gorges of Chavanon

Parc de Millevaches en Limousin - Monestier-Merlines



(G.Salat - CC HCC)



This challenging circuit climbs and descends in the Chavanon gorges.

This circuit is part of the FFVélo Haute-Corrèze mountain bike base, the largest mountain biking area in France with 1000 km of marked circuits. It is classified as a sporty circuit because it is a series of steep descents and climbs with highly technical passages on portions of degraded trails. Stunning passages through the gorges and on the plateaus. Reserved for lovers of technical courses.
