

Chaleix Wood

Parc de Millevaches en Limousin - Bugeat

La Vézère (G.Salat - CC HCC)

An easy circuit in the heart of the ancient woodland of the Chaleix woods.

This circuit is part of the FFVélo Haute-Corrèze mountain bike base, the largest mountain bike area in France with its 1000 km of marked circuits. This circuit is accessible to all, rolling, with two slightly more technical passages. Very pleasant route on undergrowth paths, following the Vézère at the start. Ideal for a family stroll on a hot summer day.

Chaleix Wood (B)

The Bois de Chaleix, with a ground area of about 150 ha, was acquired recently by the commune of Bugeat. Bordered by the Vézère river, it is composed of deciduous and coniferous trees. It offers many possibilities for sporting activities: hiking, orienteering, trail running, fishing and archery.
