The bust of Saint Sagittarius (A)

In the church, you can see the bust of Saint Sagittarius, the saint-evangelist of the plateau and patron saint of Saint Setiers. The bust is revered throughout the year and is permanently decorated with ribbons that symbolise the clothes of sick children.

The Saint Sagittarius pilgrimage still takes place on the Sunday closest to 13 May. The saint's bust is taken out of the church and carried in procession to the good fountain where the water is taken. This is followed by a mass in the chapel.
