

The Crosses of Millevaches

Plateau de Millevaches - Ambrugeat

Les Croix de Millevaches (CC HCC)

A small family circuit around the Sechemailles lake.

This circuit is part of the FFVélo Haute-Corrèze mountain bike base, the largest mountain biking area in France with 1000 km of marked circuits. This tour can pleasantly extend route 11. A family circuit with some technical passages and an "ascent" to La Gautherie. On the other hand, the lakeside portions are used by pedestrians, who have priority.

Bread oven at La Gautherie (A)

The villages of Haute-Corrèze have all been involved in agriculture. Walking through these hamlets always produces interesting discoveries during a hike: barns, large country houses, crosses and monuments, traditional local architecture, etc. When you arrive at La Gautherie, on the right, don't miss the bread oven.

Café on the square (B)

In the heart of Ambrugeat, the former Paulette's café-grocery, closed since the beginning of 2000, has been contributing to the life of the village and its surroundings since 2021. The "La Maison sur la Place" association is working to give it second wind. A bistro, sometimes a restaurant, a place to meet and hang out, a space for shows, debates or mutual help, the establishment is driven by the desire to mix generations, cultures and aspirations.
