

Along the Crests

Plateau de Millevaches

(CC HCC)

The sportiest circuit starting from the Lac de Séchemailles.

This circuit is part of the FFVélo Haute-Corrèze mountain bike base, the largest mountain biking area in France with 1000 km of marked circuits. A circuit classified as black because of its difference in level but which does not involve any particular technical difficulty: ideal for a fairly short, quite energetic outing. You can lengthen the loop by crossing it with the "Le Champ Nègre" circuit. On the other hand, the lakeside portions are used by pedestrians, who have priority.
