Gorges et plateaux de la Haute-Dordogne - Monestier-Merlines

(G.Salat - CC HCC)

On this tour, you will explore the countryside around Merlines before going down to the Chavanon valley.

This circuit is part of the FFVélo Haute-Corrèze mountain bike base, the largest mountain biking area in France with 1000 km of marked circuits. For the more sporty, it is possible to follow the circuit "On the Plateau des Agriers" (classified blue - medium). This circuit is classified red because it includes a slightly technical descent to the Chavanon. The return journey is on the old railway line in the Chavanon Gorge. A very pleasant route, ideal for a family outing.
